

The first 100 Women Who Care group was formed in November 2006 by Karen Dunigan of Jackson, Michigan. At their first one-hour meeting, this 100 Women Who Care group raised \$10,000 to buy 300 new baby cribs for an organization in their city! In total there are now 47 chapters in the US and 5 in Canada.

If you want to be part of a powerful group of local women making an immediate, direct and positive effect on the lives of our neighbors and want 100% of your donations to go directly to your chosen charity, join us in making a change.

Together – This is Where the Magic Happens:

- Bring together 100 (or more) women in Westlock who care about local community causes and who are committed to community service.
- Meet for an hour.
- Jointly select a local charity or not-for-profit organization (nominated ahead of time).
- Each donate a \$100 to the selected organization
- Do that four times a year and witness how \$40,000 can improve lives when placed in the hands of deserving grass-roots agencies working to serve the local community.

The Westlock Community Foundation is a registered charity (Charity #: 757881800RR0001) and a public foundation. 100 Women Who Care has partnered with them to accept and receipt payments to take the onus off of the winning charities and streamline the giving process.
